Capital Plan 2020-21

The 2020-21Capital Plan will invest in schools, buildings, hospitals and highways in communities across Nova Scotia.

Government releases an infrastructure investment plan annually to lay out planned capital spending for the coming year. This year's plan totals \$1,042.4 million.

Health and Wellness infrastructure spending in this year's Capital Plan contains an overall investment of \$154.4 million for Health Care Redevelopment projects in Nova Scotia. The plan also includes \$54.3 million for construction, repair and renewal of other hospitals and medical facilities, \$16.3 million to replace equipment, and \$3.4 million for ambulance replacement and \$7.5 million to improve inventory managment of healthcare supplies.

Government will invest \$265.6 million to purchase, build and renovate schools. The design and construction of sixteen schools and the purchase of thirty schools is included in the Capital Plan.

Also included is an investment of \$10.5 million in information technology projects for four additional departments and agencies.

The Department of Transportation and Infrastructure Renewal released its annual 5-Year Highway Improvement Plan. Capital spending under this plan totals \$385.3 million in 2020-21.

What Is Capital Spending And A Capital Plan?

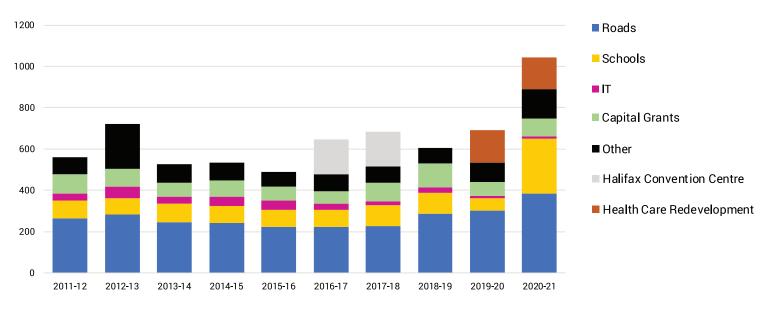

Government distinguishes between the costs that relate to its day-to-day operations, called operating costs (such as salaries and rent), and those that are more long-term in nature, called capital assets (such as buildings, equipment and vehicles). The assets government intends to acquire or develop is contained in the Capital Plan. Government establishes capital budgets on an annual basis. The Capital Plan will be tabled in the Spring session of the Legislature, and subject to approval in the 2020-21 budget.

Development of the Capital Plan

Annually, projects are considered, reviewed and analyzed by government representatives. Treasury and Policy Board provide guidance and approval of the Capital Plan.

There has been a significant change in how healthcare redevelopment projects are presented in both the Capital and Fiscal Plans. The strategic shift in the delivery of healthcare redevelopment is the catalyst for the recording of the projects under the Department of Health and Wellness.

The decision to invest in a road, school, hospital or other public infrastructure is based on the answers to key questions: Is the existing structure safe? Does the project fit with government's commitments and policy priorities? What is the cost weighed against the benefits? Does it make fiscal sense in light of other needs? Will the infrastructure result in improved service to the public? What is the risk of not building it?

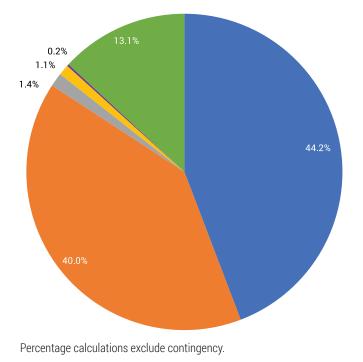

Capital Spending By Fiscal Year (\$ millions)

2016-17 indicates investment in Halifax Convention Centre subsequently deferred to 2017-18 2017-18 indicates investment in Halifax Convention Centre

Capital Funding Summary

Total	\$1,042.4 million
Contingency	\$40.0 million
Capital Grants	\$131.5 million
Vehicles and Equipment	\$13.8 million
Information Technology	\$10.5 million
Buildings and Land	\$446.0 million
Highways and Structures	\$400.6 million

Percentage Of Capital By Project Type

Buildings [44.2%]

- Highways and Structures [40.0%]
- Vehicles and Equipment [1.4%]
- IT Projects [1.1%]
- Land [0.2%]
- Capital Grants [13.1%]

Projects by Type

Highways and Structures

Major Construction Projects for 2020-21

Highway 101: Three Mile Plains to Falmouth Twinning (Multiple Year Project)
Highway 103: Passing Lanes between Exit 9 and 10, access improvements
Highway 102: Aerotech Connector (Multiple Year Project)
Highway 102: Lantz Interchange and Connector (Multiple Year Project)
Highway 103: Upper Tantallon to Ingramport Twinning (Multiple Year Project)
Highway 103 Twinning: Ingramport to Hubbards (Multiple Year Project)
Highway 103: Bridgewater Interchange (Exits 12-13) (Multiple Year Project)
Highway 104 Twinning: Sutherlands River to Antigonish (Multiple Year Project)
Highway 105: Route 252 Waycobah, access improvements
Highway 107: Sackville-Bedford-Burnside Connector (Multiple Year Project)
Trunk 30: Cabot Trail (Smokey) from 500 metres south of Path End Bridge northerly
Trunk 30: MacLellans Cross Road to Victoria/Inverness County Line (Multiple Year Project)

Construction/Improvement Projects 2020-21

Highway 104: Exit 13 on ramp extension
Highway 125: East Bound Lane from Meadowbrook Drive easterly
Highway 125: West Bound Lane from Frenchvale Road westerly
Route 333: Left Turning Lane - intersection with Terrance Bay Road and Sandstone
Trunk 4: (Kings Road) upgrading from Highway 125 to Weidner Drive (Multiple Year Project)
Trunk 10: Intersection improvements at Trunk 10 and MacCulloch Road
Bell Boulevard: from Highway 102 north bound off ramp to 200 metres east of Pratt and Whitney Drive
Pratt and Whitney Drive: from Aerotech Drive to Baldwin Drive
Janvrins Harbour Road: Erosion protection/slope failure repair

Asphalt Projects for 2020-21

Highway 101: West Bound Lane from Mount Uniacke Railroad Overpass easterly to Hants/Halifax County Line (Exit 3) Highway 101: from KM marker 192.5 to Morden Road Overpass Highway 102: North Bound Lane from County Line to Commo Road Highway 103: from Exit 17 to Lunenburg/Queens County Line Highway 111: North Bound Lane from Pleasant Street northerly to Lake Micmac Route 221: from Stronach Mountain Road to Morden Road Route 316: from Trunk 4 (Old Trans Canada Highway) southerly to 400 metres south of Antigonish Guysborough Road Route 320: from Route 206 northerly to Highway 104 Route 332: (Section 1) from Trunk 3 to Bayport Wharf Road Route 348: from 2.4 km west of Sunny Brae-Eden Road easterly Route 368: from Fountain Road southerly Route 374: from 9 km south of Halifax County Line southerly Trunk 1: from Mount Uniacke Connector westerly to Uniacke Mines Road Trunk 2: from Springhill Town Line southerly Trunk 4: from Highway 104 at Auld's Cove westerly Trunk 8: from Route 201 to Highway 101 Exit 22 ramps Trunk 19: from 0.4 km north of Blackstone Road to Church Road intersection

Trunk 33: Bedford Bypass West Bound Lane from exit for Dartmouth Road to Highway 101 at Overpass

Bridge Replacement/Rehabilitation Projects for 2020-21

Bennery Brook Bridge: Highway 102 North Bound and South Bound Lane (Multiple Year Project)
Shubenacadie River - CNR (out): Highway 102 (Multiple Year Project)
MacKeens Bridge: Trunk 7 (Multiple Year Project)
Great Bras d'Or Crossing Bridge: (Seal Island) Highway 105 (Multiple Year Project)
Lower Debert River Bridge: Trunk 2
Springville Bridge: Springville Road
Eagar Bridge: Route 201
South Maitland (Gosse Bridge): Route 326
Tittle Bridge: Durell's Island Road
Bank Bridge: Upper River Road
Indian Path Bridge: Route 332
Pembrooke Bridge: Pembrooke Road *Note:* Full list of projects, including local road asphalt and gravel roads, in the 2020-21 5 Year Highway Improvement Plan
