Bulletin 5063

Bulletin: 5063 R2
Date: August 18 2015
Subject: Notice to Your Energy Rebate Bulk Vendors

Bulk vendors of home energy such as oil, natural gas, propane and kerosene are reminded to confirm the eligibility status of customers by using the eligibility tool. The eligibility status of some of your customers may have changed from “residential” to “commercial.”

Mobile Homes Located in Mobile Home Parks

Any mobile home located in a mobile home park should be considered eligible for the energy rebate at source, regardless of the eligibility status displayed in the eligibility tool.

Mobile Homes Not Located in Mobile Home Parks

Mobile homes not located in mobile home parks are subject to the individual eligibility status as provided in the online eligibility tool.

The eligibility tool can be accessed at the following link: [Eligibility Tool](#)

Please note when using the “eligibility tool” the address “51 Willow Street” should be entered as follows:
51 Willow

The words and abbreviations such as street, road, lane, St., Rd., Ave., Blvd., or Dr. should not be entered into the address field.
