Fuel Tax Rates

Gasoline	15.5 cents per litre
Diesel Oil	15.4 cents per litre
Propane	7.0 cents per litre
Marine Fuel	1.1 cents per litre
Aviation Fuel	2.5 cents per litre

Fuel Wholesalers

Collection of Tax

Tax is applied on sales to consumers but collected at the wholesale level and remitted monthly by fuel wholesalers. Wholesalers also remit tax on own use.

Monthly Reports

Fuel tax collectors report and remit tax by the 20th day of each month, based on previous month's sales.

Note: When a due date falls on a Saturday, a Sunday, or a public holiday, we consider your payment to be paid on time if we receive it on the next business day.

Refunds

Interest on refunds is calculated from the date the tax was remitted until the refund is paid or applied to a vendor's account, but only on tax paid in error, or a paid assessment that was later reversed.

Assessments

Interest and penalty assessments and any unpaid tax is calculated from the date when the default first occurred until the assessment is paid. The interest rate changes quarterly and is compounded monthly.

Nova Scotia Indian Fuel Tax Exemption Program (NSIFTE)

Information for Consumers on the Nova Scotia Indian Fuel Tax Exemption Program

Section 87 of the Indian Act (Canada) provides for an exemption from fuel tax for on-reserve purchases by individuals who have status under the Indian Act. This exemption is administered through the Nova Scotia Indian Fuel Tax Exemption program (NSIFTE).

Applications

Interjurisdictional carriers operating qualified motor vehicles in Nova Scotia

Interjurisdictional carriers operating qualified motor vehicles in Nova Scotia may register under IFTA and obtain an IFTA licence and decals (two per vehicle). Applicable licence and decal fees are due at the time of registration and must be renewed annually.

An IFTA carrier registered in Nova Scotia must submit quarterly reports on the distance travelled and the fuel purchased in participating jurisdictions.

An interjurisdictional carrier operating qualified motor vehicles **who are not registered under IFTA** must purchase a single trip permit before entering Nova Scotia. The single trip permit may be obtained from permit companies approved by Nova Scotia to issue and collect the applicable single trip fuel permit fee.

A qualified motor vehicle is a motor vehicle used, designed or maintained for transportation of persons or property that has:

1. two axles and a gross vehicle weight or registered gross vehicle weight exceeding 26,000 pounds or 11,797 kilograms;
2. three or more axles regardless of weight or used in combination; or
3. the weight of such combination exceeds 26,000 pounds or 11,797 kilograms gross vehicle weight.

A qualified motor vehicle does not include recreational vehicles.
